As the 2009-2010 skating season fast approaches, I am happy to join the Saugeen Shores Skating Club this year. Having completed my level 1 Coaching certification in 2005 and with previous coaching experience at the Tara and Warton Figure Skating Club; practical knowledge of Skate Canada requirements have been obtained which will be utilized for skaters personalized growth, achievement and advancement.

As a certified level 1 coach I am able to coach Skating Skills, Free skate and/or Dance. The length of a lesson is 15 minutes which allows for one-on-one practice, personal growth and development. This will allow your skater to potentially test and/or compete at competitions and advance through the various levels in such a sport. The amount of allotted lesson time per week is completely your decision as a parent (e.g.: 1/week, 2/week). I will be charging \$7.00 per 15 minute lesson. There will be a charge for test days and competitions (mileage, meals) which will be divided equally among all my skaters attending. As test days and competitions approach we can discuss details further. If you have any questions and/or concerns about private lessons, please feel free to contact me before and/or after skating times. My full attention will be provided to your skater during their allotted lesson time.

If you have any questions, concerns and/or comments please feel free to contact me. I look forward to spending the 2009-2010 season with your skater. I will be on vacation from October 1-8 and will not be holding private lessons during this period of time.

Looking forward to a successful skating season,

Amy Thomson
