## Ice Dreams

Good luck to all of the skaters participating in Ice Dreams. Please remember that you are representing our club and are expected to behave in an appropriate, sportsmanlike manner.

The schedule has been posted at the arena and is now available on our website ([www.saugeenshoresskatingclub.com](http://www.saugeenshoresskatingclub.com)).

Remember that you can be charged for coaching time and travel expenses associated with the competition.

Next year's competition will be held at the Plex. Any volunteers interested in joining the Ice Dreams committee should contact Hope Wallace Alvarez at 389-3860 or [alvarezb@bmts.com](mailto:alvarezb@bmts.com). Meetings will begin this month.

## Upcoming Fundraising Opportunities

- MacMillans - order forms will be available at the end of January
- Regal - information to be posted on bulletin board

## Test Day:

Thank you to the volunteers who helped with the music on December 13<sup>th</sup>.

## Upcoming Test Days:

- Low Test - Saturday, February 6 in Southampton
- High Test - Sunday, February 7 in Meaford

## Guest Skating

When a skater skates on club ice time for which he/she is not registered, this is considered guest skating. A log book of guest skating is kept at Gord Lamont's skate sharpening booth (at the Plex), and is also usually available in the lobby of the Southampton arena on Saturday mornings. Guest skaters must sign the log book and leave their guest skating fee in the envelope provided. The cost for guest skating is \$10 per discipline for club members. **This fee must be paid before the skater goes onto the ice.**

## Ice Schedule Change

There is NO SKATING on Saturday, January 9<sup>th</sup> - Ice Dreams.

## Other Reminders

Bullying will not be tolerated by the skating club. While figure skating is not a "team" sport, skaters are still expected to support and encourage the other members of the club.

Please do not leave valuables in the change room.

If you have not been receiving the monthly newsletters by email but would like to, please forward your email address to Lisa Bender at [lrbender@bmts.com](mailto:lrbender@bmts.com).
