ICE DREAMS, our area fun competition, will take place on Saturday January 9 & Sunday, January 10 in Owen Sound. A sign up sheet is posted at the Plex. You must sign up by Saturday, November 14th. Marilyn Grahame has offered to print all of the necessary paperwork and distribute it for signature and payment. Completed forms and payment must be returned to Marilyn by Saturday, November 21st. If you are unable to sign up using the posted sheet, please email Marilyn at jhmmg@bmts.com with the following information: event name; event number; name of team and names of other skaters for pairs or group

events; name of coach; and theme/title for interpretive events.

Extra Ice is available each Saturday morning in December from 10-11 in Southampton. Guest skating fee is \$10. This is a great opportunity to get some extra practice in before the Ice Dreams competition (for independent work - private lessons only).

Ice Schedule Change

NO SKATING Saturday, November 28th (Women's Silver Stick Hockey Tournament).

Upcoming Test Day:

High & Low Test: 9:00 a.m., Sunday December 13th at the Plex.

It is very important to keep the judge's evaluation sheets from test days. At a later time it may be necessary to produce proof that a skating test has been passed.
