PA's required!

We have many new and returning CanSkaters that need dedicated role models as Program Assistants. SSSC encourages all our skaters that have a Junior Bronze Level or higher to participate in the CanSkate Program as a PA. Not only do PAs have the opportunity to give something back to the program and make these new skaters feel important, but skaters that participate in the PA Program for at least 10 sessions will have the opportunity to do a solo in the Strut

Your Stuff show to be held in March. It's also a great way to get volunteer hours! **PA training is being offered on Thursday, October 8** from 4:00 – 5:00 p.m.
